Medicos' Legal Action  
Group

vs.

Union of India and others

Present: Mr. Preetinder Singh Ahluwalia, Advocate  
for the petitioner

Through this public interest litigation, the petitioner is fighting the cause of doctors regarding their protection from unwarranted prosecution. It is averred that the Hon'ble Supreme Court in **Jacob Mathew vs. State of Punjab**, AIR 2005 SC 3180 and **Martin F. D'Souza vs. Mohd. Ishfaq**, AIR 2009 SC 2049 while enunciating the law pertaining to medical negligence has framed certain guidelines to protect the doctors against unwarranted criminal prosecution. Learned counsel submits that in the States of Punjab and Haryana as well as in U.T., Chandigarh, the guidelines are not being followed and cases are being registered against the doctors without complying with the guidelines as framed in the aforementioned authorities.
